

Order 890 Compliance: Pursuant to the requirements of FERC Order 890, Orange and Rockland Utilities, Inc. (“O&R”) is participating in the New York Independent System Operator's ("NYISO") transmission planning straw proposal that is posted on the NYISO's website. Rockland Electric Company (“RECO”) is participating in PJM Interconnection, LLC’s (“PJM”) straw proposal that is posted on PJM's website. To the extent O&R has comments on the NYISO's straw proposal, or RECO has comments on PJM's straw proposal, the Companies will discuss their comments at the FERC technical conferences scheduled for June 28 and 29, 2007 in Pittsburgh, PA. O&R will continue to work with the NYISO stakeholders in complying with Order 890. RECO will continue to work with PJM stakeholder in complying with Order 890.
