**SPECIAL PROVISIONS**

(A) Resistance Heating Equipment

No new residential customers with electric resistance space heating equipment will be provided hereunder unless one of the following conditions is met:

- (a) The electric resistance heating equipment is supplementary to a heat pump system, energy storage system, or a system for which a renewable resource is the primary energy input;
- (b) The customer established that heat requirements will be seasonal in nature and thus electric resistance is the most economic heat source for the customer.

(B) Religious Houses of Worship

Service will also be furnished to a religious house of worship and adjacent buildings (other than school buildings which substitute for public education), owned by the customer and operated in connection therewith, provided, however, that if the buildings of any such customer are separated by a highway or highways, then the electricity delivered to each so separated shall not be combined with the electricity delivered to other buildings but shall be billed separately under rates as specified in the applicable service classification.

(C) Short Term Service

Customers desiring service under this schedule for less than six months, where service is already installed, shall pay in advance the contract minimum as specified under "Minimum Charge Each Contract Each Location" or under an applicable line extension agreement, or, if the estimated bill for two months or such shorter period as service may be desired exceeds the contract minimum, the Company reserves the right to request a deposit equal to this estimated bill. A part of a month shall be considered a full month for computing all charges hereunder.

(D) Budget Billing Plan

Any customer taking service hereunder may, upon request, be billed monthly in accordance with the budget billing plan as provided for in General Information Section 8 of this tariff.
