ORANGE AND ROCKLAND UTILITIES, INC. REVISION: 14
INITIAL EFFECTIVE DATE: November 1, 2009 SUPERSEDING REVISION: 13
Issued in compliance with Commission order in Case 08-G-1398, dated 10/16/09

SERVICE CLASSIFICATION NO. 6

APPLICABLE TO USE OF SERVICE FOR:

Firm transportation of customer-owned gas within the Company's service territory when a customer, participating in the Company's Gas Transportation Service Program described in Rider A, has contracted with a Qualified Seller ("Seller") and the Seller has agreed to the terms and conditions of Service Classification No. 11 for the delivery of the daily quantity of natural gas specified by the Company to the boundary of the Company's service area. The Company will make firm interstate pipeline capacity available to the Seller to serve the needs of firm transportation customers taking service under this Service Classification. Such capacity will be released by the Company to Sellers under the terms and conditions of Service Classification No. 11. The Company will receive the gas on behalf of the customer and will redeliver the gas on a firm basis to the customer.

The annual volume scheduled to be transported shall not be less than 3,500 Mcf for an individual customer or for an aggregated group of customers served by a common Seller. Said usage level must have been maintained for each of the two twelve-month periods preceding application for service hereunder. For a customer, or customers in the case of an aggregated group, without two years of billing history, annual usage will be determined by the Company.

A customer is limited to one Seller of gas for each account for which the customer receives transportation service. A Direct Customer must meet the requirements of a Seller specified in Service Classification No. 11.

A customer electing service under this Service Classification must select either the Standard Service Option or the Winter Bundled Sales ("WBS") Service Option as specified herein.

CHARACTER OF SERVICE:

Firm transportation of natural gas for a customer, which the Seller has arranged to have transported to a pipeline delivery point (delivery point) at the boundary of the Company's service area. Such gas will be accepted by the Company at the delivery point and transported to the customer's facility. The Company shall control the receipt of such gas at the delivery point, and will provide gas as required by the customer.

RATE - FOUR PART - MONTHLY:

- (2) Standard Service Option or Winter Bundled Sales Service Option

Upon applying for firm transportation service under Service Classification No. 6, a customer must elect either the Standard Service Option or Winter Bundled Sales Service Option.

- (A) Standard Service Option

The Standard Service Option provides for a Seller to deliver gas to the Company's citygate on behalf of all of its customers in the Seller's Aggregation Group based on the customers' average daily usage for the same month last year, weather normalized and restated on a calendar month basis, with the Company redelivering the gas to the Seller's customers on an as needed basis.

SPECIAL PROVISIONS: (Cont'd.)

(B) Emergency Interim Sales Service

In the event the customer's Seller fails to meet its obligations under Service Classification No. 11, and is determined by the Company to be ineligible to continue service thereunder, all volumes of gas used from the time of Seller's failure will be billed at the rates and charges contained in the otherwise applicable firm sales Service Classification (Service Classification No. 1 or Service Classification No. 2) for a period not to exceed 90 days. Within this period, the customer must select a new Seller to continue service under this Service Classification, or elect to take service under another Service Classification.

(C) Upon termination of service hereunder, the customer's eligibility to receive gas sales service shall be the same as the eligibility of any potential customer which is, at that time, requesting gas service.

(D) Customer shall make all arrangements necessary, obtain any necessary regulatory approvals, and be responsible for all costs, charges and expenses including but not limited to the payment to appropriate governmental entities for any tax or assessment relative to the acquisition, upstream transportation or use of customer's gas supply.

(E) Service supplied under this Service Classification shall be separately metered and shall not be combined with use under any other Service Classification for billing purposes. Customer shall not be eligible to receive service under this Service Classification and any other Service Classification other than Service Classification No. 11, for the same equipment during the term of the Service Agreement.

(F) The Company shall have no responsibility with respect to gas delivered hereunder before customer transports or has transported on its behalf such gas to the Company or after the Company delivers such gas to customer at customer's meter, or on account of anything which may be done, happen or arise with respect to such gas before or after such delivery.
