Funding Our Future.

Get up to \$1,000
in STEM grants.

Are you an educator? Do you know one? Pass this on!

O&R is offering science, technology, engineering and math (STEM) grants to support classroom projects and initiatives.

We'll award up to 50 grants at a maximum amount of \$1,000 each to educators at schools (pre-K through 12th grade) and youth groups in communities throughout our service area.

The application process for the 2022/2023 school year begins January 1, 2022 and ends on March 31, 2022.

Visit oru.com/STEM to apply.
