

Lead the Charge... for Less

Apply for O&R's PowerReady Program and save up to 100% on commercial and multifamily infrastructure costs for electric vehicle charging.

DEVELOPER AND CUSTOMER RESPONSIBILITIES

PowerReady, Set, Go

We're accelerating the move toward electric vehicle ownership by connecting hundreds of new public and customer-owned charging stations.

O&R's PowerReady Program provides incentives that cover up to 100% of the installation costs associated with installing Level 2 or DC fast charging stations at your commercial facility, multifamily building, or parking area.
