

Be Prepared and Stay Safe

Information regarding
our Life Support
Equipment program

Our Life Support Equipment (LSE) Program

This program is for customers, or their household members, who are medically-dependent on specific electrically operated equipment such as oxygen concentrators, kidney dialysis machines, respirators, ventilators, pressure breathing therapy, peritoneal dialysis machines, infusion feeding pumps, and infant apnea monitors.

The program doesn't guarantee uninterrupted electric service or a company-provided generator.

Through this program we offer:

- A Personal Emergency Planner to help you prepare for a service interruption.
- A confidential phone number for quick access to report a loss of power and discuss restoration efforts.
- Notification of severe weather and other emergencies, as well as scheduled outages.
- Text alerts during major weather events and emergencies when you enroll in pro-active text messaging.
- A wellness call during an extended outage or a home visit if phone contact cannot be made.
- Payment options if you are having trouble paying your energy bill.

.....
To begin the enrollment process, please complete the Special Programs Reply Form (at right) and return to:

Orange & Rockland

390 West Route 59, Spring Valley NY 10977

Third Party: _____

Did you know?

You can report an outage via text. Simply text “OUT” to [69678 \(myORU\)](tel:69678).

Once you report your outage, you can also check on the status of it by texting “STAT” to [69678 \(myORU\)](tel:69678).

You can sign up for proactive outage texts via [MyAccount](#).
