
**SERVICE CLASSIFICATION NO. 4
PUBLIC STREET LIGHTING SERVICE**

APPLICABLE TO USE OF SERVICE FOR

Sales and delivery of electric power supply provided by the Company or delivery of electric power supply provided by an electric generation supplier under the Company's Retail Access Program for the purpose of lighting the streets, highways, roadways and ways open to public use where required by City, Town, County, State, or other Municipal or Public Agency or by an incorporated association of local residents in the State of New Jersey.

CHARACTER OF SERVICE

Service supplied hereunder shall be for limited period, dusk-to dawn illumination, photoelectrically controlled, approximately 4,100 hours per year, approximately 60 cycle and at appropriate voltages or currents designated by the Company.

The Company shall own, maintain and operate all facilities used to supply service hereunder except where noted. Locations of Company owned luminaires that are to be attached to Company facilities shall be determined in consultation with the customer, but shall be approved at the sole reasonable discretion of the Company.

A customer may designate the following types of service:

(1) Standard Overhead Service

Luminaires will be mounted on wood poles with the appropriate bracket using the Company's existing overhead distribution system.

(2) Underground Service

This service is only available where the Company has an existing underground distribution system or is in the process of constructing one. Luminaires will be mounted on poles of a type specified in the Company's most current standard for lighting poles for use in underground distribution systems.

(4) Basic Generation Service

Customers taking Basic Generation Service from the Company will be billed for such service in accordance with General Information Section No. 31.

The Basic Generation Service charge applies to the kWh estimate in the following manner:

$$\text{kWh} = (\text{Total Wattage divided by 1,000}) \text{ times Monthly Burn Hours}^*$$

In accordance with Riders CBT and SUT, the charges in this Rate Schedule include provision for the New Jersey Corporation Business Tax and the New Jersey Sales and Use Tax. When billed to customers exempt from one or more of these taxes, as set forth in Riders CBT and SUT, such charges will be reduced by the relevant amount of such taxes included therein.

Taxes apply to the kWh estimate in the following manner:

$$\text{kWh} = (\text{Total wattage divided by 1,000}) \text{ times Monthly Burn Hours}^*$$

MINIMUM CHARGE PER LUMINAIRE

The Minimum Charge Per Luminaire shall be the monthly charge as specified in RATE – MONTHLY, Parts (1) and (2) times sixty months (five years). Should the monthly charge change during the Initial Term, the Minimum Charge Per Luminaire shall be prorated accordingly.

SPECIAL PROVISIONS

- (A) Charges to customers under revised or superseding Service Classification shall commence with the first day of billing period following effective date of such revised or superseding Service Classifications.
- (B) Service to customer owned lighting facilities shall not be made under this Service Classification except for existing underground services where the customer has installed, owns and maintains the duct system complete, but not the aluminum standards or luminaires.
- (C) A customer may apply for service hereunder for a proposed residential subdivision in which all electric facilities will be underground. Such application shall be signed by the customer and Builder or Developer and when accepted by the Company, shall constitute an agreement between the Company, customer and Builder or Developer subject to the terms and provisions hereunder. The Builder or Developer shall pay to the Company prior to the commencement of any construction all costs associated with the installation of the facilities to be serviced hereunder as described in General Information Section No. 17 and a prepayment of six times the total monthly charge for all luminaires installed. Said monthly charges shall be determined using the rates in effect at the time said costs and charges are determined. The Company shall not bill the customer for the first six months of service of the facilities installed under this provision.
- (D) The customer shall furnish the Company with all easements or rights-of-way necessary to provide service to the desired location before any installation or construction will be started.
- (E) The Company shall not be obligated to repair or replace in kind any obsolete luminaire for which it cannot reasonably obtain the necessary parts. The Company will remove the obsolete luminaire or, at the customer's request, replace it with any luminaire offered for service at that time for which the customer will be charged the appropriate rates.

PUBLIC STREET LIGHTING SERVICE (Continued)**

SPECIAL PROVISIONS (Continued)

- (F) Upon not less than 30 days prior written notice to the Company, the customer may require that the lighting of any luminaire or luminaires be discontinued. The Company shall have the right to remove all facilities serving such luminaires. For each luminaire removed prior to five years of service the customer shall pay the difference between the Minimum Charge Per Luminaire and the amount actually paid pursuant to the applicable monthly charge specified in RATE – MONTHLY, Parts (1) and (2).
- (G) The Company shall have the right to remove any Company owned equipment, or to discontinue service to customer owned equipment, which in the opinion of the Company shall have become unsatisfactory for further service by reason of deterioration, civil commotion, state of war, explosion, fire, storm, flood, lightning, or any other cause reasonably beyond the Company's control. Replacement shall be limited to equipment considered appropriate by the Company at the date of re-installation.
- (H) Upon termination of service hereunder the Company shall have the right within a reasonable time thereafter to remove all facilities placed, installed or used by it pursuant to the service hereunder.

Upon making such removal, the Company shall leave the public streets and places affected thereby in the same or as good condition as they were immediately thereto.

- (I) If the Company is suitably notified of a lamp outage it will endeavor to restore service within 2 nights of said notice.

Should the Company be unable to restore service within 2 nights it shall make an allowance to the customer's bill as follows:

Total Applicable Nights = Total Outage Nights minus 2 Nights

Allowance = $\frac{\text{Total Applicable Nights} \times \text{Total Monthly Charge}}{\text{Total Nights in the Billing Period}}$

Applicable kWh = $\frac{\text{Total Applicable Nights} \times \text{Monthly Burn Hours} \times \text{Total Wattage}}{\text{Total Nights in the Billing Period} \times 1,000}$

Where the customer owns and is responsible for the maintenance of its Street Lighting system, no credit will be given for outages caused by defective customer equipment.

PUBLIC STREET LIGHTING SERVICE (Continued)**

SPECIAL PROVISIONS (Continued)

- (J) As a condition of receiving service hereunder, the customer authorizes the Company, insofar as it lawfully may, to trim, cut, remove and to keep trimmed, cut and removed any trees and all other obstructions which, in the opinion of the Company, interfere with or may tend to interfere with the construction, operation and maintenance of the Company's service hereunder. Tree trimming required for light distribution on the highway, street and/or sidewalk surfaces is the responsibility of the customer, and shall be done by the customer or at the customer's expense.

- (K) The Company shall not be required to replace more than two (2%) percent of the luminaires in any lighting district in any one year with one of a different type or design unless the customer shall pay to the Company a replacement charge for the excess based on the net book value of the facilities to be replaced. The net book value is defined as the original cost of the facility to be replaced less the accrued book depreciation on such facility at the time of replacement. Replacement is defined as renewed service at the same location by the same customer within one year of termination.
