

SERVICE CLASSIFICATION NO. 4

APPLICABLE TO USE OF SERVICE FOR:

Sales and delivery of electric power supply provided by the Company or delivery of electric power supply provided by an Energy Service Company under the Company's Retail Access Program for the purpose of lighting the streets, highways, roadways and ways open to public use for the State of New York, counties, townships, cities and incorporated villages.

CHARACTER OF SERVICE:

Service supplied hereunder shall be for a limited period, dusk-to-dawn illumination, photo-electrically controlled, approximately 4,100 hours per year, approximately 60 cycle and at appropriate voltages or currents designated by the Company.

The Company shall own, maintain and operate all facilities used to supply service hereunder except where noted. Locations and types of Company owned luminaires that are to be attached to Company facilities shall be determined in consultation with the customer, but shall be approved at the sole discretion of the Company.

The Customer may designate the following types of service:

- A. Standard Overhead Service Luminaires will be mounted on wood poles with 8' aluminum brackets. Luminaires will be installed using the Company's existing overhead distribution system.
- B. Underground Service This service is only available where the Company has an existing underground distribution system or is in the process of constructing one. Luminaires will be mounted on poles of a type specified in the Company's most current standard for lighting poles for use in underground distribution systems.

LINE EXTENSIONS:

The Customer shall reimburse the Company for the total cost of any extensions to its existing distribution facilities required for service hereunder in excess of four times the annual charges for RATES - MONTHLY, Parts (1) and (2) for the luminaire(s) requiring the extension.

SERVICE CLASSIFICATION NO. 4 (Continued)

APPLICATION FOR SERVICE:

The Company shall require a written application for additional service, after the effective date of this tariff sheet, to include a list of the quantity and type of luminaires to be supplied.

Such application when accepted by the Company, shall constitute an agreement between Customer and Company, subject to the terms and conditions set forth in this Service Classification.

TERM:

The Initial Term of service shall be five years. Service shall continue in effect thereafter until canceled by either party upon ninety days written notice. The Company shall require an Initial Term of five years for each additional installation.

DETERMINATION OF BILLING QUANTITIES:

The charge for lighting service hereunder during each calendar month shall be based upon the number of luminaires in service as of the first day of that calendar month.

TERMS OF PAYMENT:

Bills will be rendered on approximately the twenty-ninth of each month and are due on the first of the following month, subject to a late payment charge in accordance with provisions of General Information Section No. 7.6. If the bill is not paid, service may be discontinued in accordance with General Information Section Nos. 11.1 and 11.2.

(2) Additional Charge:

- A. An additional \$4.87 per luminaire per month will be charged for existing Underground Service where the customer has installed, owns and maintains the duct system completely, but not the aluminum standard or luminaire.
- B. An additional 49 ¢ per month will be charged for a fifteen foot bracket when installed.

(3) Energy Cost Adjustment, System Benefits Charge, Transition Adjustment for Competitive Services, and Charges for Municipal Undergrounding

The provisions of the Company's Energy Cost Adjustment, System Benefits Charge and Transition Adjustment for Competitive Services as described in General Information Section Nos. 25, 26 and 29, respectively, and Charges for Municipal Undergrounding as described in General Information Section No. 20, if applicable, shall apply to electricity delivered under this Service Classification.

(4) Temporary State Assessment Surcharge

The Temporary State Assessment Surcharge as described in General Information Section No. 24 shall apply to electricity delivered under this Service Classification.

(5) Merchant Function Charge

The Merchant Function Charge as described in General Information Section No. 28 shall apply to Full Service Customers. Retail Access Customers shall not be subject to this charge.

(6) Billing and Payment Processing Charge

A Billing and Payment Processing Charge shall be assessed in accordance with General Information Section No. 7.5.

RATES – MONTHLY: (Continued)

(7) Market Supply Charge

The provisions of General Information Section No. 15 shall apply to electricity provided and sold by the Company under this Service Classification. Retail Access Customers shall not be subject to this charge.

(8) Increase in Rates and Charges

All rates and charges for service under this Service Classification will be increased pursuant to General Information Section No. 19.

The charges in RATES - MONTHLY Parts (3), (4), (5) and (7) shall apply to the kWh estimated in the following manner:

$$\text{kWh} = (\text{Total Wattage} \div 1,000) \text{ Times Monthly Burn Hours}^*$$

* See Monthly Burn Hours Table.

MINIMUM CHARGE PER INSTALLATION:

The minimum charge per installation shall be the monthly charge as specified in RATES - MONTHLY, Parts (1) and (2) times sixty months (five years) plus any billing and payment processing charges. Should the monthly charge change during the initial term, the minimum charge per installation shall be prorated accordingly.

SPECIAL PROVISIONS:

- (A) The Company shall not be required to replace more than two percent of the luminaires in any lighting district in any one year with one of a different type or design unless the customer shall pay to the Company a replacement charge for the excess equal to the Company's actual costs (material and labor) of performing the replacement. Replacement is defined as renewed service at the same location by the same customer within one year of termination.

For the period November 1, 2015 to October 31, 2017, the number of luminaires the Company will replace annually without charge will be determined in accordance with the Joint Proposal adopted by the Commission in its Order Adopting Terms of Joint Proposal and Establishing Electric and Gas Rate Plans, issued October 16, 2015, in Case No. 14-E-0493.

SERVICE CLASSIFICATION NO. 4 (Continued)

SPECIAL PROVISIONS: (Continued)

- (B) Charges to customers under revised or superseding Service Classification shall commence with the first day of the billing period following the effective date of such revised or superseding Service Classification.
- (C) Service to customer owned lighting facilities shall not be made under this Service Classification except for existing underground services where the customer has installed, owns and maintains the duct system complete, but not aluminum standards or luminaires.
- (D) A customer may apply for service hereunder for a proposed residential subdivision in which all electric facilities will be underground. Such application shall be signed by the customer and builder or developer and when accepted by the Company, shall constitute an agreement between the Company, customer and builder or developer subject to the terms and provisions hereunder.

The builder or developer shall pay to the Company prior to the commencement of any construction all costs associated with the installation of the facilities to be served hereunder and a prepayment of six times the total monthly charge for all luminaires installed. Said monthly charges shall be determined using the rates in effect at the time said costs and charges are determined. The Company shall not bill the customer for the first six months of service of the facilities installed under this provision.

- (E) The customer shall furnish the Company with all easements or rights-of-way necessary to provide service to the desired location before any installation or construction will be started.
- (F) The Company shall not be obligated to repair or replace in kind any obsolete luminaire for which it cannot reasonably obtain the necessary parts. The Company will, remove the obsolete luminaire or, at the customer's request, replace it with any luminaire offered for service at that time for which the customer will be charged the appropriate rates.

SERVICE CLASSIFICATION NO. 4 (Continued)

SPECIAL PROVISIONS: (Continued)

- (G) Upon not less than 30 days prior written notice to the Company, the Customer may require that the lighting of any luminaire or luminaires be discontinued. The Company shall have the right to remove all facilities serving such luminaires. For each luminaire removed prior to five years of service the customer shall pay the difference between the Minimum Charge Per Luminaire and the amount actually paid pursuant to the applicable monthly charge specified in RATES - MONTHLY, Parts (1) and (2).
- (H) The Company shall have the right to remove any Company owned equipment, or to discontinue service to customer owned equipment, which in the opinion of the Company shall have become unsatisfactory for further service by reason of deterioration, civil commotion, state of war, explosion, fire, storm, flood, lightning, or any other cause reasonably beyond the Company's control. Replacement shall be limited to equipment considered appropriate by the Company at the date of re-installation.
- (I) Upon termination of service hereunder the Company shall have the right within a reasonable time thereafter to remove all facilities placed, installed, or used by it pursuant to the service hereunder.

Upon making such removal, the Company shall leave the public streets and places affected thereby in the same or as good condition as they were immediately thereto.

- (J) If the Company is suitably notified of a lamp outage it will endeavor to restore service within 2 nights of said notice. Should the Company be unable to restore service within 2 nights it shall make an allowance to the customer's bill as follows:

$$\text{Allowance} = \frac{\text{Total Applicable Nights} \times \text{Total Monthly Charge}}{\text{Total Nights in the Billing Period}}$$

$$\text{Applicable kWh} = \frac{\text{Total Applicable Nights} \times \text{Monthly Burn Hours} \times \text{Total Wattage}}{\text{Total Nights in the Billing Period} \times 1,000}$$

$$\text{Total Applicable Nights} = \text{Total Outage Nights} \text{ minus } 2 \text{ Nights}$$

- (K) As a condition of receiving service hereunder, the customer authorizes the Company, insofar as it lawfully may, to trim, cut, remove and to keep trimmed, cut and removed any trees and all other obstructions which, in the opinion of the Company, interfere with or may tend to interfere with the construction, operation and maintenance of the Company's service hereunder. Tree trimming required for light distribution on the highway, street and/or sidewalk surfaces is the responsibility of the customer, and shall be done by the customer or at the customer's expense.
