Orange & Rockland Gas Bill Calculation Notes

Bill amounts are averages of twelve monthly bills for each year, based on the consumption level indicated on each chart. Actual customer consumption and demand will vary.

Delivery Charges include: Base Rate Charges (Minimum Monthly Charge and Delivery Charges), Monthly Gas adjustment, Billing and Payment Processing Charge, Delivery Revenue Surcharge, and Revenue Decoupling Mechanism Adjustment.

Commodity Charge include: Gas Supply Charge, and Merchant Function Charge.

Surcharges include: System Benefits Charge, Temporary State Assessment Surcharge, Metropolitan Transportation Authority Tax, and Gross Receipts Tax.

Excludes Sales Tax and Weather Normalization Adjustments (assumes normal weather).

Taxes and fees including property taxes, federal and state income taxes, payroll and other taxes, and regulatory commission fees, comprise approximately 14% of the total bill based on the 2025 average monthly residential gas bill.
