 Premise Number:

--	--	--	--	--	--	--	--	--	--

* Please refer to the **RULES AND REGULATIONS** on the reverse side for the qualifying appliance details.

All applications must be postmarked within 90 days of the gas meter installation, and no later than March 31, 2022.

INSTRUCTIONS FOR COMPLETING THE REBATE FORM

1. Fill out all necessary information. If applying for a rebate at more than one address, a separate rebate form must be completed for each address.
2. Make a copy of the sales invoice which indicates the make, model number and equipment costs for the natural gas space heating appliance.
3. Mail the sales invoice copy and completed rebate form to: **Natural Gas Conversion Program
Orange and Rockland Utilities, Inc.
71 Dolson Avenue
Middletown, New York 10940**
4. Please allow 45 days for receipt of your rebate check.

RULES AND REGULATIONS

- Rebates are available for the purchase and installation of the natural gas space heating appliances specified below by Orange & Rockland residential customers in 2021
- Rebates are only available for conversion from oil or propane to natural gas space heating. Rebates will NOT be paid for the replacement of an existing: natural gas furnace or boiler, electric heating system, heat pump or coal and wood heating systems.
- Rebates are for retrofit (replacement) applications only. Rebates are NOT available for new home construction or additions.
- The most current version of the rebate application supersedes all previous versions.
- Rebates are available for one-to four-family residences.
- Limit of one rebate per customer address with a maximum rebate payout per customer of \$1,000.00.
- The rebates available are: Residential Natural Gas Furnace or Boiler (conversion or replacement) . . . \$500.00.
- Rebates are available to Orange & Rockland (New York) residential customers who meet the programs Rules and Regulations.
- Rebates will only be paid upon the completion of this Rebate Form and submission of proof of purchase and installation.
- Rebate monies will only be paid to the customer.
- Orange & Rockland reserves the right to either issue a check to the rebate applicant or apply rebate monies as a credit to the delinquent account.
- To be eligible for the \$500 rebate, you must be a New York customer and the natural gas service to the premise must be installed between January 1, 2021 and December 31, 2021. In addition, the natural gas meter must be installed between January 1, 2021 and December 31, 2021, and all rebate forms must be received by Orange & Rockland postmarked no later than 30 days of the gas service installation.
- To be eligible for the additional \$500 incentive you must be a New York customer and the natural gas service to the premise must be installed between January 1, 2021 and December 31, 2021 and the meter must be installed within 30 days of the gas service installation.
- Orange & Rockland will not be responsible for any tax liability imposed as a result of the rebate payment.
- Orange & Rockland reserves the right to inspect all installations and may choose to withhold rebate payment until an inspection is complete.
- Orange & Rockland reserves the right to withdraw or change the rebate program at any time without notice.

If you have a question about completing this form, or would like more information about the program, please call the Gas Conversion Team at (845) 783-5506 or email them at gasconversionteam@oru.com.
